Re: First Amendment of Mining Notice UTU-72505, Located in T30S, R24E (SLM),
Section 1: S1/2, San Juan County, Utah.

Dear Mr. Shumway:

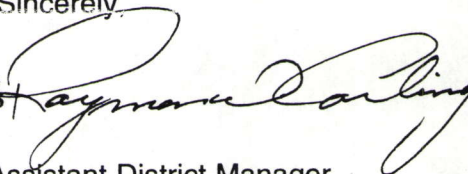

Archaeological clearance has been obtained for the above-referenced amendment. You may therefore proceed with operations under this amendment, subject to the same stipulations that apply to UTU-72505.

In addition, please be advised that:

- (1) The BLM continues to be of the opinion that the mineral material you intend to quarry (limestone) is "common variety" mineral material.
- (2) Total surface land disturbance under this first amendment (which includes UTU-72505) is not to exceed roughly 4.8 contiguous acres.

If you have questions, please contact Sal Venticinque of my staff at (801) 259-2141.

Sincerely,

Acting 

Assistant District Manager
Resource Management
